

### 2010 Lincoln Electric Welding School Schedule

Date	January				February				March					April				May				June										
	4	11	18	25	1	8	15	22	1	8	15	22	29	5	12	19	26	3	10	17	24	Tues. 1	7	14	21	28						
Comprehensive Program-18 Weeks	Basic																															
	Pipe																															
	Alloy																															
	TIG																															
	MIG																															
	Flux Cored																															
	Basic Motorsports																															
	Advanced Motorsports																															
	Submerged Arc																															
	Introduction Welding																															
Certification																																

2010 Lincoln Electric Welding School Schedule

Date	July				August					September				October				November					December								
	5	12	19	26	2	9	16	23	30	Tues. 7	13	20	27	4	11	18	25	1	8	15	22	29	6	13	20
