

**NEW!**

THE LINCOLN ELECTRIC COMPANY

# Introducing Stick Plastic Tubes!

Eco-friendly plastic tubes are made from recycled plastic and are recyclable.

## New Packaging for Stick Electrodes

- ▶ **Added Product Protection** – New 5 lb. tubes help protect electrode from breakage.
- ▶ **Re-Usable** – Use plastic tubes for storage as electrodes are consumed.
- ▶ **Stackable** – Plastic tubes feature a patent-pending design for easy stacking.
- ▶ **Color Coded** – Large colorful labels make stick electrode easy to identify.
